Experience

SENIOR COPYWRITER

@ Material+ | May 2021 - Present

- Contributing creative conceiving, strategic copywriting, & lead-by-example tenacity toward building out advertising campaigns & marketing collateral that actually solve clients' business problems.
- Prominent brands I've produced work for: ABM Industries, Chicago Symphony Orchestra, Church's Chicken, NIKE, Reliant Energy, UPS & UPS Healthcare.
- Convinced a \$7B B2B facilities services client to buy a campaign concept based on a guy in a hard hat hugging a concrete pillar.

SENIOR COPYWRITER & CONTENT STRATEGIST

@ Superior Essex | Aug. 2019 - March 2021

- Created marketing collateral to support U.S. national sales efforts of global \$650M communications cabling manufacturer.
- Wrote video script for the company's 90th anniversary that literally brought the C-suite to tears (the good kind, I swear!)

SENIOR COPYWRITER

@ HD Supply | July 2017 - April 2019

- Crafted corporate communications to support executive & company-wide initiatives for \$7.4B industrial & construction distributor owned by The Home Depot.
- Slipped so many sly references to punk-pop song lyrics into CEO's weekly newsletters & monthly videos sent to employees.

FREELANCE COPYWRITER & CONTENT STRATEGIST

@ Little Writing Man | Oct. 2013 - Present

- Prominent brands I've produced work for: ADT, AT&T, Banana Republic, Cadillac, Charter Spectrum, Chevrolet, Cox, Jos. A. Bank Clothiers, Quicken Loans, & Xfinity.
- Yes, I "founded" this "company," but calling myself "CEO" of a one-man-band just kinda felt pompous.
